NEW DEEP FRYER NEEDED—HELP!

We would like to thank everyone that participated in the events over the past few months and the club has purchased a replacement fryer for the small kitchen. The Trustees are going through the process of setting up the new unit and should be operational here soon.

Mean while I would like to thanks all of our Bartenders for making the best of the situation and being willing to continue to cook items in the large deep fryers located in the large kitchen in the back. Requires them to stay on their game with the distance between the patrons and the food being cooked.

Again, the Trustees thank you, Bartenders. Always doing a great job.
